Key To My Heart

I C U - I C U as a great friend of mine
I need U - 4 being me a helping hand
Here U are - It's the key 2 my heart

I know U - U're turning rain 2 a sunny day
I feel U - supporting me in every way
Here U are - It's the key 2 my heart

I call U - U're listening 2 what I say
I love U - and 4 this gift I want 2 pray
Here U are - It's the key 2 my heart
